NEWEST AND MOST,
UNIQUE FUNCTION VENUES.

Black Hall Features

Step inside past the large 'barn doors' and you'll enter 'Black Hall'. It boasts restored timber floors, gorgeous, panelled walls and a welcoming stone fireplace complete with antler chandelier. Outside, you'll find the perfect place for 'pre-drinks' in the Black Hall Pergola area, complete with outdoor fireplace.

BLACK HALL

KALBAR

Black Hall is the perfect mix of simplistic, country elegance and classical city style.

If you're after something totally different for your next function, Black Hall offers character, country appeal and a beautiful Scenic Rim backdrop.

It's perfect for engagement and Christmas parties, birthdays, product launches and small conferences.

Think outside the venue 'box'.

Every event is different. Every function should be memorable. And rather than celebrating in your typical function room, why not consider something that's 'out of the box'.

Black Hall offers beautiful country design loaded with all the mod-cons. Just like any city venue, it offers WIFI, blue tooth music/microphone and lectern and a 65" LED TV for all videos and presentations.

The Barn Bar & Grounds

Just outside Black Hall is another, more rustic area known as 'The Barn Bar'. For those after a 'touch of the country', this bar area oozes a tonne of country appeal. The bar comes complete with an original 'claw bath' cooler, rustic pressed metal bar, vintage wood burner stove, oak wine barrel dry bars, antique country memorabilia and ladder chandeliers.

This venue is like no other. The Barn bar is a truly wonderful way to create a fantastic memory with your guests right there under the stars.
